

# SSCP KAN

## Project Grant from Future Earth Core Funding

# CALL FOR PROPOSALS

The SSCP KAN seeks innovative projects that advance transdisciplinary research, knowledge-sharing, and actionable insights within the field of sustainable consumption and production.

Projects must demonstrate a clear contribution to at least one of the SSCP KAN working groups. Collaborative projects are strongly encouraged.

### PROPOSAL REQUIREMENTS

#### ✔ Contribution to the SSCP KAN

Outline how the proposed project aligns with the KAN's objectives and enhances knowledge or solutions for SCP.

#### ✔ Activity Plan

Provide an overview of planned activities, timeline, and milestones. Projects must be carried out between 2025 and 2026.

#### ✔ Dissemination Plan

Detail strategies for sharing project results and engaging stakeholders, which may include:

- Videos, infographics, or visual content
- Blog posts or social media stories
- Academic and non-academic reports
- Presentations at events or conferences

#### ✔ Impact and engagement

Explain how the project will involve stakeholders, enhance capacity, and support long-term SCP transformation. A report will be required upon project completion.

#### ✔ Budget and resources

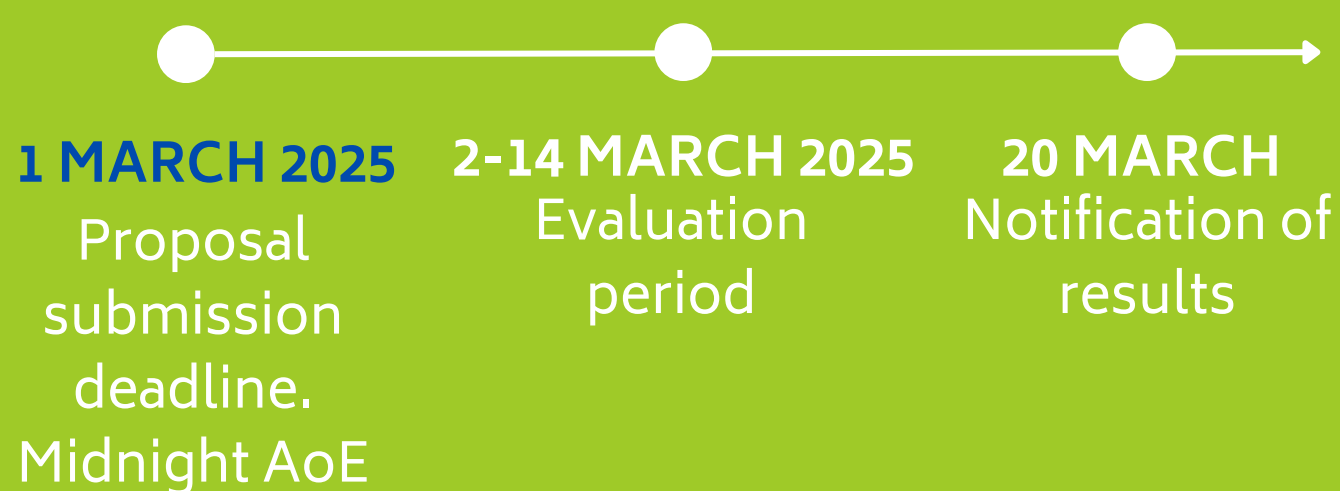

Outline the requested budget, **up to a maximum of 6,000 euros**, and justify the proposed expenses.

#### ✔ Team information

Provide details about the project team, including relevant expertise and roles within the project.

**SUBMISSIONS SHOULD HAVE A MAXIMUM OF 3 PAGES IN A4. USING FONT 11**
